**Subject:** Stop the Lawsuits

Leave Microsoft alone. It's been terrible for the economy and I feel they have done nothing wrong. So, let them hide their browser and be done with them!

They have done so much for technology and they have just been punished for their innovations because of jealous companies. Drop the suit and please be done with microsoft.

Sincerely,

Marsha Harrison Get more from the Web. FREE MSN Explorer download : <http://explorer.msn.com>
